

RD: We need a recap. You say before ABEL is walking with the FORTUNATE-HEBREW ABRAHAM the GREAT-FLOOD did not happen.

Your main point to your dispute with main stream narrative about the GREAT-FLOOD is that GOD does not need to destroy man twice when GOD is perfect and righteous. Somehow we can not see GOD killing everything two times. Especially since HE is

KNOW respec^{ter} of
PERSONS, do you believe
that is true? We are
LOOKing for the BORN-
AGAIN, we know you are
out there, the ground
shake when you wake. I tell
you once again, we can talk
and walk in KNOW-TIME.
It is a process like riding a
bike.

So wake your ass up, GOD
is waiting for his family
that loves HIM and believe
KNOW-LIE against the
TRUTH-IN-ALL-THINGS
and your fellow HUMANS.
JESUS set it up that way,
HE is the BOSS. Did I tell

you ABEL-is-JESUS? Well
HE was BORN-AGAIN with
style! Never the less all

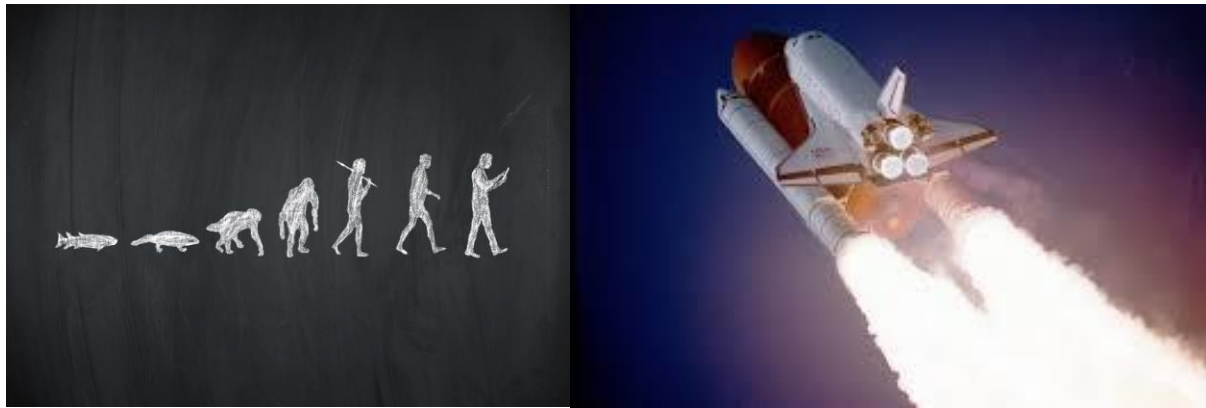

(tempo.....<everybody's talkin-harald melvin & the blue notes>.....)

have to be BORN-AGAIN

IF you are led by man, and
man said you are born-again

and you still entertain
bullshit against GOD and

you don't know why but you
know your wants and needs
for the flesh.

KNOW!, man can not tell
you are BORN-AGAIN.
Only the SPIRIT-OF-

TRUTH and YOU KNOW in
KNOW-TIME.
